BOWLOPOLIS is "an imaginary bowling center where everyone, young and old look to bowling for happiness, livelihood, identity and love for the sport. It is a place where fun, adventure and play help develop lifetime skills."

What an exciting time to be a kid that enjoys bowling. BOWLOPOLIS provides a series of humorous and educational episodes about a young boy named Layne and his experiences of the finer points of bowling. BOWLOPOLIS is a kid's club we offer at the BO's to provide fun and exciting activities for the children and their parents.
